

MATCHING GIFTS and GRANTS

MAKE YOUR GIFT GO FURTHER: A matching gift or grant program from your employer makes it possible for you to double, sometimes triple, your gift to ASSIST.

HOW TO:

- Find out if your company has a matching gift program.
- Each company has its own guidelines:
 1. Contact your Human Resources Department to be sure ASSIST is listed as an eligible 501(c)(3) non-profit organization. If not, we will provide substantiation and would deeply appreciate your help registering us.
 2. Once registered, obtain a matching gift form.
 3. Enclose the completed form to ASSIST with your contribution.
 4. ASSIST will verify your contribution and return the form to your employer, who will send the matched gift directly to ASSIST.
