

State Department Regulations

ASSIST is recognized by the United States Department of State as a designated Exchange Visitor Program. ASSIST is able to facilitate the issuance of the J-1 visa under which our students study in the U.S. for one academic year on Exchange Visitor status.

ASSIST's model builds from the regulations enacted by the State Department as they cover secondary exchange students studying on J-1 visas. We have excerpted the relevant State Department regulations below; the full version can be located at the State Department home page:

Title 22: Foreign Relations **PART 62—EXCHANGE VISITOR PROGRAM** **Secondary School Students**

§62.25 Secondary school students.

(a) *Purpose.* This section governs Department of State designated exchange visitor programs under which foreign secondary school students are afforded the opportunity to study in the United States at accredited public or private secondary schools for an academic semester or an academic year, while living with American host families or residing at accredited U.S. boarding schools.

(b) Program sponsor eligibility. Eligibility for designation as a secondary school student exchange visitor program sponsor is limited to organizations:

(1) With tax-exempt status as conferred by the Internal Revenue Service pursuant to section 501(c)(3) of the Internal Revenue Code; and

(2) Which are United States citizens as such term is defined in §62.2.

(c) Program eligibility. Secondary school student exchange visitor programs designated by the Department of State must:

(1) Require all exchange students to be enrolled and participating in a full course of study at an accredited academic institution;

(2) Allow entry of exchange students for not less than one academic semester (or quarter equivalency) and not more than two academic semesters (or quarter equivalency) duration; and

(3) Ensure that the program is conducted on a U.S. academic calendar year basis, except for students from countries whose academic year is opposite that of the United States. Exchange students may begin an exchange program in the second semester of a U.S. academic year only if specifically permitted to do so, in writing, by the school in which the exchange student is enrolled. In all cases, sponsors must notify both the host family and school prior to the exchange student's arrival in the United States whether the placement is for an academic semester, an academic year, or a calendar year.

(d) Program administration. Sponsors must ensure that all organizational officers, employees, representatives, agents, and volunteers acting on their behalf:

(1) Are adequately trained. Sponsors must administer training for local coordinators that specifically includes, at a minimum, instruction in: Conflict resolution; procedures for handling and reporting emergency situations; awareness or knowledge of child safety standards; information on sexual conduct codes; procedures for handling and reporting allegations of sexual misconduct or any other allegations of abuse or neglect; and the criteria to be used to screen potential host families and exercise good judgment when identifying what constitutes suitable host family placements. In addition to their own training, sponsors must ensure that all local coordinators complete the Department of State mandated training module prior to their appointment as a local coordinator or assumption of

Department of State

duties. The Department of State training module will include instruction designed to provide a comprehensive understanding of the Exchange Visitor Program; its public diplomacy objectives; and the Secondary School Student category rules and regulations. Sponsors must demonstrate the individual's successful completion of all initial training requirements and that annual refresher training is also successfully completed.

(2) Are adequately supervised. Sponsors must create and implement organization-specific standard operating procedures for the supervision of local coordinators designed to prevent or deter fraud, abuse, or misconduct in the performance of the duties of these employees/agents/volunteers. They must also have sufficient internal controls to ensure that such employees/agents/volunteers comply with such standard operating procedures.

(3) Have been vetted annually through a criminal background check (which must include a search of the Department of Justice's National Sex Offender Public Registry);

(4) Place no exchange student with his or her relatives;

(11) Maintain, at minimum, a monthly schedule of personal contact with the exchange student. The first monthly contact between the local coordinator and the exchange student must be in person. All other contacts may take place in-person, on the phone, or via electronic mail and must be properly documented. The sponsor is responsible for ensuring that issues raised through such contacts are promptly and appropriately addressed.

At least once during the fall semester and at least once during the spring semester, (i.e., twice during the academic year) the contact by the local coordinator with the host family must be in person. All other contacts may take place in person, on the phone, or via electronic mail and must be properly documented. The sponsor is responsible for ensuring the issues raised through such contacts are promptly and appropriately addressed.

The host family application must be designed to provide a detailed summary and profile of the host family, the physical home environment (to include photographs of the host family home's exterior and grounds, kitchen, student's bedroom, bathroom, and family or living room), family composition, and community environment. Both the exchange student and his or her natural parents must agree in writing in advance of the student's placement with a single adult host parent without a child in the home.

(k) Host family orientation. In addition to the orientation requirements set forth in §62.10, sponsors must:

Sponsors may not place students from the same countries or with the same native languages in a single home.

(2) Prior to the student's departure from his or her home country, sponsors must advise both the exchange student and host family, in writing, of the respective family compositions and backgrounds of each, whether the host family placement is a permanent or arrival placement, and facilitate and encourage the exchange of correspondence between the two.

(1) Sponsors must immediately report to the Department any incident or allegation involving the actual or alleged sexual exploitation or any other allegations of abuse or neglect of an exchange student. Sponsors must also report such allegations as required by local or state statute or regulation. Failure to report such incidents to the Department and, as required by state law or regulation, to local law enforcement authorities shall be grounds for the suspension and revocation of the sponsor's Exchange Visitor Program designation;

(2) A report of all final academic year and semester program participant placements by August 31 for the upcoming academic year or January 15 for the Spring semester and calendar year. The report must be in the format directed by the Department and must include at a minimum, the exchange student's full name, Form DS-2019 number (SEVIS ID #), host family placement (current U.S. address), school (site of activity) address, the local coordinator's name and zip code, and other information the Department may request; and
